S. Petersh. 1 November. 1807

Dear Mrs. Carlant;

1.) Arcusky has died two years ago. - There is no any opportunity, for this season, to have any engagements in Petersburg and Moscow; they are all settled. - No chance to make money at the country before having a sensational success at the capitals (metropolis!).

Of course, Gray has ~~known~~ what he does; but I don't see any necessity to give another Orchestral Concert at Berlin;

if he thinks to have a good
hall, if the concert of to
day is overpassing, that is
a question to which I cannot
give an opinion. --

I should prefer ~~to give~~
her ^{to give} two Recitals at Leipzig;
one of the most important
cities for future engagements.
Nathleen should play (if the concert
10 Nov will take place) Brahms,
Mendelssohn! and the third
number, werry her concert with
Piano - a group. ^{by} Tschaiikowsky
by Liszt - Chopin
C. / Bauder des ~~Littins~~

or "Rejuvenation".

The Programme at Koenigsberg
is favorable. —
in Vienna⁺, she has to play
Tchaikovsky, or Paganini
or Paganini; what she
likes. — 2^d number, Talle
du Diable; or, with orchestra,
Adagio — Spoken
Palanquin Wierusky

Why pray will not try to go
at Danemarc. Sweden?
Copenhagen is a good Concert town!

Land Dresden.

I had a letter ^{from} ~~of~~ Mrs. Hillings;
as I am going away for a few
days, till Tuesday, November, I
shall answer her after returning;
my great tour beginning on
22 November will finish about
the 18-19 December; so should
come here for this time and
have their Christmas, practi-
sing scales and other nice
things! It is possible
that I shall go for one-two
weeks to Switzerland in the middle
of January; but I am not
sure. —

II

Try, by the Ambassador,
to play at the Emperor!
I am anxious to know
how the concert of today
was getting on; the financial
question too. -

And now, Good bye!
My love for You and Kathleen -

L. Auer
